

SHOWN IN SHANNON MINKY COLORS: WHITE, BLUSH AND GOLD

SCISSORS

STABILIZER-MEDIUM TEARAWAY

STABILIZER-WATER SOLUABLE LIGHT WEIGHT

MINKY OR FLEECE

POLYFIL

SCOTCH TAPE

NEEDLE AND THREAD

OPTIONAL: 1-3 MAGNETS

5X7 MAKES A 4"X 4" BABY BOTTLE
ALSO MAKES A 4" X 7" BABY BOTTLE

BOTTLE COMES IN 2 DIMENSIONAL AS
WELL AS 3 DIMENSIONAL. CAN BE DONE
IN OUNCES OR MILLIMETERS.

2 DIMENSIONAL BABY BOTTLE TUTORIAL

THERE ARE SEVERAL VERSIONS OF THE BABY BOTTLE. YOU CAN MAKE IT IN OUNCES OR MILLIMETERS. YOU CAN MAKE IT IN SHORT OR LONG. AND FINALLY YOU CAN MAKE IT IN 2 DIMENSIONAL OR 3 DIMENSIONAL. THE FIRST PART OF THE TUTORIAL COVERS THE 2 DIMENSIONAL VERSION.

LOAD PART ONE AND STITCH THE DIE LINE ON A PIECE OF STABILIZER.

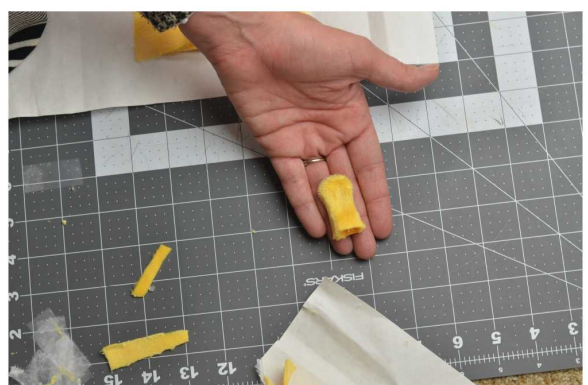

COVER THE DIE LINE WITH TWO PIECES OF FABRIC RIGHT SIDES TOGETHER

STITCH A TACK DOWN LINE

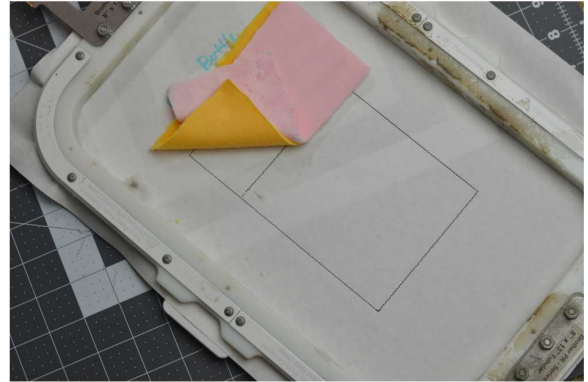

CUT AROUND THE TACK DOWN LINE AND LEAVE ABOUT 1/2" OF EXTRA FABRIC ON THE OPEN END AS SHOWN

TURN THE NIPPLE RIGHT SIDE OUT.

LOAD PART 2 OF THE BABY BOTTLE 2 DIMENSIONAL VERSION AND STITCH THE DIE LINE ON A NEW PIECE OF STABILIZER. BY THE WAY IF YOU ARE ABLE TO REMOVE THE NIPPLE FABRIC PIECES AND TAPE UP THE STABILIZER YOU COULD KEEP USING THE STABILIZER FROM PART 1 TO DO PART 2 SINCE THAT PART IS SO SMALL.

COVER THE TOP SMALLER HALF OF THE RECTANGLE WITH TWO PIECES OF FABRIC. RIGHT SIDES TOGETHER. THE FABRIC ON THE BOTTOM SHOULD BE THE COLOR YOU USED FOR THE NIPPLE. THE TOP COLOR SHOULD BE THE LID COLOR.

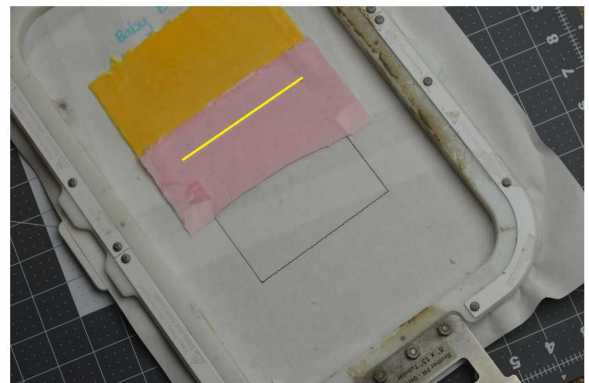

THE FABRIC SHOULD OVERLAP THE HORIZONTAL LINE BY 1/2" INCH. TAPE THEM IN PLACE

STITCH THE TACK DOWN LINE. TRIM THE EXCESS FABRIC CLOSE TO THE TACK DOWN LINE AS SHOWN

UNFOLD THE FABRIC AND SMOOTH IT FLAT. TAPE IT IN PLACE.

STITCH A DIE LINE

NOW LAY A PIECE OF LARGER FABRIC OVER THE DIE LINE ON THE PINK RIGHT SIDE DOWN. LET IT OVERLAP BY 1/2" INCH

TRIM CLOSE TO THE TACK DOWN LINE ON THE NOW LOOSE FABRIC PANEL AS SHOWN.

TRIM THE FABRIC CLOSE TO THE TACK DOWN LINE AS SHOWN

IT SHOULD LOOK LIKE THIS WHEN ITS UNFOLDED.

GENTLY PEEL UP THIS FABRIC PANEL AWAY FROM THE STABILIZER SO ITS LOOSE. REMOVE THE FABRIC PANEL ALL THE WAY FROM THE STABILIZER.

WE WILL CALL THIS FABRIC PANEL "A". ITS NOW TOTALLY LOOSE FROM THE STABILIZER. TAPE UP THE LINES ON THE STABILIZER WHERE YOU REMOVE THIS PANEL.

LETS DO THAT AGAIN....

NOW THAT FABRIC PANEL "A" IS OUT OF THE WAY AND TO THE SIDE, WE WILL REPEAT THE FABRIC STEPS. PLACE A NEW PIECE OF NIPPLE COLOR FABRIC RIGHT SIDE UP AND A PIECE OF LID FABRIC RIGHT SIDE DOWN OVER THE TOP MOST HORIZONTAL LINE.

STITCH A TACK DOWN LINE. ALSO TRIM THE FABRIC NEXT TO THE CREATED SEAM TO REMOVE ANY EXCESS

UNFOLD THE FABRIC AND TAPE IN PLACE AS SHOWN. STITCH A DIE LINE FOR THE BODY FABRIC OF THE BABY BOTTLE

LAY A PIECE OF THE BOTTLE FABRIC OVER THE DIE LINE AS SHOWN SO IT OVERLAPS 1/2" INCH. FABRIC IS RIGHT SIDE DOWN

STITCH A TACK DOWN LINE.

TRIM THE FABRIC AWAY FROM THE TACK DOWN LINE AS SHOWN

UNFOLD THE FABRIC PANEL AND SMOOTH IT OUT FLAT. TAPE IT IN PLACE.

STITCH THE TACK DOWN LINE. THEN COVER THE WHITE PART OF THE BOTTLE BODY WITH A PIECE OF WATER SOLUABLE STABILIZER.

STITCH THE OUNCES OR MILLIMETERS OF THE BOTTLE MARKINGS ACCORDING TO WHICH VERSION YOU ARE MAKING.

REMOVE THE WATER SOLUABLE STABILIZER AND THEN STITCH THE DIE LINE FOR THE NIPPLE PLACEMENT.

WE NEED TO STUFF THE BOTTLE NIPPLE SLIGHTLY. IF YOUR BABY HAS A MOUTH MAGNET THEN YOU CAN PLACE A MAGNET INTO THE TIP OF THE NIPPLE FIRST

PLACE THE NIPPLE ON THE BABY'S MOUTH SO THAT THE MAGNET WILL BE ATTRACTS TO THE BABY. WHILE ITS IN THIS POSITION, STUFF A BIT OF POLYFIL INTO THE BOTTLE NIPPLE. THE POLY FIL WILL HOLD THE MAGNET IN PLACE. USE A PENCIL OR DOWEL TO STUFF THE POLYFIL INTO THE BOTTLE NIPPLE.

TAKE THE NIPPLE AND PLACE IT OVER THE DIE LINE AS SHOWN

TAPE IT IN PLACE.

STITCH THE TACK DOWN LINE FOR THE NIPPLE

TAKE FABRIC PANEL "A" THAT YOU MADE EARLIER AND PLACE IT RIGHT SIDE DOWN OVER THE DIE LINE FOR THE BOTTLE.

ALIGN THE PANEL DIRECTLY ON THE SEPARATIONS OF FABRIC COLORS. THESE "SEAMS" SHOULD LINE UP WITH THE LOOSE FABRIC PANEL "A". LINE UP THE LEFT SIDE AND TAPE IT IN PLACE AND THEN LINE UP THE RIGHT SIDE AND TAPE IT.

WITH THE LOOSE FABRIC PANEL "A" ALL ALIGNED AND TAPED DOWN STITCH THE TACK DOWN LINE. NOTE THAT A GAP WILL BE LEFT IN THE BOTTOM
